

The Barnabas Furniture Bank

Sponsorship Packet

Help support our mission to Recycle Furniture and Restore Lives here in our community!

The Barnabas Furniture Bank, the Triad's only nonprofit furniture bank, provides an unduplicated service in our community addressing furniture poverty. We collect furniture that people don't want and don't need and we give it at no cost to people who do want it and desperately need it to support their journey on the path to self-sufficiency. In fulfillment of our mission, in an average year we visit 2,500 homes to collect 10,000 pieces of furniture. We then use these items to furnish 800 households. We believe in second chances for people and furniture, but we can't do this work without the support of our community.

We are reaching out now to ask you to consider renewing and/or growing your sponsorship of our mission. Commitments can be made today and invoiced or paid throughout the year. **Renew by Tuesday September 30** to be included and recognized in Fall Auction promotions. You will receive recognition in front of our 6,000+ auction users who are already registered to bid, as well as in multiple emails we will be sending our growing list of 10,000+ subscribers throughout the auction. Most importantly, your funding support will be going to sustain our mission to Recycle Furniture and Restore Lives in our community all year long!

The Barnabas Furniture Bank

Sponsorship Packet

The Barnabas Furniture Bank is a nonprofit organization that provides basic, gently used, home furnishings at no cost to qualified families and individuals on the path to self-sufficiency. Our clients are transitioning out of homelessness, recovering from a major setback, fleeing abuse or violence, or overcoming severe poverty. In an average year, we provide furniture to 2,500 people in 800 households. We recycle furniture and restore lives.
